Joint Meeting of the Steering and Technical Committees for the South Corridor Study

Microsoft Teams Meeting*
1:00 p.m. Thursday, May 21, 2020

Meeting Agenda

1. Introductions and Agenda Review
2. General Updates and Announcements
3. Progress on Deliverables
4. Presentation of Build Alternatives Under Consideration
5. Preview of Evaluation Process and Community Engagement
6. Open Discussion and Q & A
7. Adjourn by 2:15 p.m.

Invited Participants

- **Steering Committee** members including elected officials, representatives from Maury Alliance, the Nashville Area Chamber of Commerce, Williamson, Inc., Transit Alliance of Middle Tennessee, local and regional transit agency leadership, and state and federal agency leadership
- **Technical Committee** members including staff from city and county departments of planning and public works, TDOT, local transit agencies, and area non-profits
- WSP Consulting Team
- GNRC and WeGo Public Transit Project Teams

Study is being conducted through a partnership among GNRC, WeGo Public Transit, and TDOT to identify projects that advance local and regional transit plans to improve mobility along Middle Tennessee’s southern corridor. More info at www.SouthCorridor.org

*The meeting will be conducted online using Microsoft Teams. Instructions for joining the meeting are posted online at https://www.gnrc.org/Calendar.aspx?EID=421 and included in the calendar invite.
