2011-2012 ANNUAL REPORT

Maynard Pate

September 9, 1935 -
April 8, 2012

Maynard Pate was selected as the Executive Director of the Mid-Cumberland Council of Governments and the Mid-Cumberland Development District in 1985, upon the retirement of Judge Marshall S. Stuart. Maynard's leadership and proven abilities as a planner and administrator resulted in this Council becoming a strong advocate for its member cities and counties. Through Maynard's leadership the Council became known for being an organization that provides vital assistance and support to the cities and counties that comprise the Council. It was under Maynard's tenure and leadership that the old Mid-Cumberland Council of Governments and its parallel organization the Mid-Cumberland Development District was consolidated and transformed, by action of the Tennessee General Assembly, into a more functional and better organized agency which is now reflected in the present day Greater Nashville Regional Council. GNRC in its present form is a reality because of Maynard's vision.

Maynard served many years as Secretary/Treasurer of the Tennessee Development District Association (TDDA).

Throughout his 42 year career in urban/regional planning and economic development, and especially during his service with GNRC, Maynard provided professional guidance, expertise and leadership to cities and counties, their staffs, elected leaders, and others, on a wide range of issues and opportunities regarding regional cooperation and regional planning and coordination. Maynard was a planner, first and foremost. He believed in planning as a tool for all communities. Maynard's knowledge, advice and friendship are missed by all who knew him. He always said that life's too short to worry about something you cannot control or to not take action on what needs to be done. He was right—his life was too short for all he had yet to give. Although his time has past, we continue to receive his gifts through his memory and good deeds.

Maynard was a true public servant in the finest tradition of that calling.

Noblesse oblige.

Rest in peace our good and faithful servant.

Ernestine Bowers with Senator
Douglas Henry

Ernestine Bowers
October 17, 1948 –
May 9, 2012

We remember Ernestine today as a hard-working professional, a compassionate friend, and a truly good person. She focused her career for more than 30 years on increasing the enrichment of life for seniors and adults with disabilities.

Ernestine was always logical, practical, upbeat, a positive spirit and a good listener. She lived a life of commitment, professionalism, service and compassion. For 18 years, she was a program specialist for the Tennessee Commission on Aging & Disability. In 1997 she acquired the role of Director of the Greater Nashville Regional Council's Area Agency on Aging & Disability. She acted in this role until her retirement in 2010.

She was a founding member of Senior Expo, Inc. of Middle Tennessee and served on many boards including the Tennessee Association of Area Agencies of Aging and Disability; the Southeastern Association of Area Agencies on Aging; the Tennessee Conference of Social Welfare; the Developmental Disabilities Planning and Policy Council of the Department of Mental Health and the Association of Retarded Citizens of Tennessee. She was also a Tennessee delegate to the White House Conference on Aging in Washington, DC in December, 2005.

We honor her life by remembering her stellar leadership in the development and implementation of several major programs including: The National Family Caregiver Support Program, Options for Community Living and the Statewide Medicaid Waiver, which is now the CHOICES Program. We also remember her mentorship for others in service to seniors and her advocacy on a crusade to help others have a better life.

These memories abide.

Ernestine will forever be with those of us who had the privilege to work with her in what became her life's call to service assisting older persons.

*A precious one from us has gone.
A voice we love is still.
A place is vacant in our hearts
which no one else can fill.*

Forever in our Cherished Memories

2011-2012 GNRC Full Council

Cheatham County Mayor David McCullough
Ashland City Mayor Rick Johnson
Kingston Springs Mayor John McLeroy
Pegram Mayor Eugene Evans
Pleasant View Mayor Kerry R. McCarver

GNRC Highlights

Area Agency on Aging and Disability

- The State Health Insurance Program (SHIP) has continued to establish host sites throughout the region to provide greater accessibility for **Medicare** beneficiaries. There are currently 40 host sites and over 100 trained volunteers throughout the region.
- On April 11, 2012, GNRC sponsored the 4th Annual **Fearless Caregiver Conference**. This conference, free to all caregivers, provided a day of support, encouragement and information to more than 300 family caregivers from throughout our area.
- GNRC partnered with Walgreen's and Senior Centers in the region to offer an incentive to help seniors stay active by walking. There were ten (10) Senior Centers who participated. The Ajax Turner Senior Center in Clarksville logged the most steps and was awarded a \$500 **Wellness Grant**.
- GNRC partnered with the Tennessee Commission on Aging and Disability and Mental Health America of Middle Tennessee through an **Alzheimer's** grant to provide respite care for individuals with Alzheimer's disease and/or related dementia.
- There is increased focus around programs that provide results through proven evidence, or **Evidence Based Programs**. GNRC conducted the Living Well with Chronic Conditions program which provides participants strategies that empower them to manage their own health. GNRC partnered with the Department of Health on an evidence-based fall prevention program (Matter of Balance) to train additional coaches in order to provide educational classes for older adults and adults with disabilities regarding fall prevention. GNRC also implemented the Critical Pathways program in partnership with the medical community to reduce rebound incidents to hospitals or other acute care settings.

Mid-Cumberland Area Development Corporation

- Capital Loan Program: 8 loans with 43 jobs for loan amounts totaling \$214,862 and private investment of \$134,400
- Intermediary Relending Program: 1 loan totaling \$250,000 and private investment of \$447,500
- Revolving Loan Fund Program: 14 loans with 32 jobs for loan amounts totaling \$1,300,711 and private investment of \$1,912,725
- Small Business Administration (SBA) 504 Loan Program: 17 loans with 146 jobs for loan amounts totaling \$8,767,000 and private investment of \$15,657,915

Planning, Research and Development

The following Economic Development Administration funds were acquired as a direct result of our efforts or acquired in concert with grantee partnerships with heavy involvement and/or extensive assistance:

- \$ 2.5 Million for build out of Entrepreneur high-tech & high growth (Davidson+)
- \$ 1.3 Million Micro Enterprise Center (Davidson)
- \$ 2.2 Million Rebuilding Hospitality/Tourism sectors (Davidson+)
- \$ 800,000 Water treatment plant (Cheatham)
- \$ 300,000 Economic development strategy plan (Davidson)

Research and Geographical Information System (GIS)

- Worked with local government, agencies, and GNRC programs to provide various demographic, economic, and other information and mapping for items such as grant applications and studies.
- Assisted 17 cities and counties with zoning and land use maps as part of their planning contracts.

Area Agency on Aging and Disability

The Area Agency on Aging and Disability (AAAD) plans programs and services for older adults and adults with disabilities in the Greater Nashville region. The AAAD provides advocacy, coordination, inter-agency linkages, information sharing, and program evaluations. The AAAD provides a number of key services directly; however, other services are provided through contract with local organizations within each county.

DIRECT SERVICES PROVIDED BY THE AAAD

Information & Assistance

Information and counseling to assess needs and connect people with needed services and supports. A total of 9,239 contacts were made to assist callers during FY 2012.

State Health Insurance Program (SHIP)

Free and objective one-on-one counseling, information, and assistance with **Medicare** and other health related insurance. SHIP staff and volunteers made 3,861 contacts with persons to provide assistance.

Intake for Home and Community Based Services

Telephone screening and in-home assessment visits to assess eligibility and facilitate access to home and community based services (HCBS) for the Options for Community Living program, Family Caregiver Support program and the CHOICES program.

Service Coordination

Service Coordinators assess the consumer's needs, develops a plan of care, monitors service delivery, advocates for the consumer, and assists the consumer in accessing other needed services.

Public Guardianship Program for the Elderly

This program serve persons 60 years of age who, due to physical or mental limitation, are unable to meet essential requirements of their physical health or to manage essential financial responsibilities, and have no family member, friend or corporation willing and/or able to act on their behalf. Persons are assigned to this program by the courts.

SERVICES PROVIDED THROUGH CONTRACT

The AAAD contracted with sixty-seven local agencies/organizations for the provision of senior center, nutrition, transportation, ombudsman, legal, and home and community based services. See detail of services/expenditures for each county in this report.

Service	Contract Payments
Congregate Meals & Home-Delivered Meals	\$2,110,099
In-Home/Home & Community Based Services	1,188,502
Multipurpose Senior Centers	572,270

Staff assisted Williamson and Cheatham with APRs, and completed the entirety of them for Houston, Sumner, and Trousdale counties with assistance from local solid waste and county staff members.
- Assisted Tennessee River Trail Counties with marketing their attractions and events on new website: www.driveanddiscover.com
- Town Square Beautification, Phase Three: finishes sidewalk construction within the interior of the square, incorporates street lights, and facilitates stormwater management activities. This phase enhances pedestrian mobility around the square, yet completes the establishment of a distinct gateway within the downtown area extending between the Houston County Courthouse through the interior of the town square moving toward Betsy Ligon Park. This project greatly enhances the aesthetic value and civic experience for both pedestrians and motorists alike.

Provided local planning consultation services for both the planning commission and board of zoning appeals, assisted with training hours as required by statute, special projects such as an interchange study, updates to the long-range plan, and other services upon request for the Town of Coopertown. Completed in 1906, the Mollie and Neel Glenn House in Springfield, TN is eligible for the National Register of Historic Places for education on women's and social history. The building has continuously served as the clubhouse for the Springfield's Federal of Woman's Club since 1946. The Glenn House retains remarkable architectural integrity of materials, design, workmanship, setting, location, feeling and association. Character-defining elements of the Glenn House, reminiscent of a period of prosperity in Springfield, are well-preserved and beautifully crafted.

- The RLF program provided funds to purchase office space for an existing dermatology practice. The SBA 504 program funded building and equipment for the start-up of an independent pharmacy in Murfreesboro. The CLP loan program was used to purchase an existing coffee shop with new ownership at the Oaks Shopping Center in Murfreesboro. These businesses created new job opportunities and services.

Staff Activities

- GNRC participated in discussions with TDOT and local government officials on implementation of a Corridor Management Agreement for Highway 109.
- GNRC worked with the Four Lake Development Authority on future economic development efforts, and planning for the Select Tennessee site certification program.
- Assisted counties with Annual Progress Reports (APRs), detailing many aspects of the local Solid Waste program and needs for TDEC. Staff assisted Williamson and Cheatham with APRs, and completed the entirety of them for Houston, Sumner, and Trousdale counties with assistance from local solid waste and county staff members.
- Provided local planning consultation services for both the planning commission and board of zoning appeals, assisted with training hours as required by statute, assisted with drafting design review standards, special projects such as a zoning reclassification study, and other services upon request for the City of Portland, Sumner County and the City of Westmoreland.
- Assisting in preserving the Moye Green House in Portland, TN as a Visitor Center/Trailhead through various grant application opportunities. Working to place the Moye Green House on the National Register of Historic Places.

Staff assisted Williamson and Cheatham with APRs, and completed the entirety of them for Houston, Sumner, and Trousdale counties with assistance from local solid waste and county staff members. At the request of local officials and TDEC, GNRC staff, alongside South Central Development District, worked to develop strategies and assess solid waste needs regionally for Williamson, Maury, Hickman, Lawrence, and Lewis counties. The RLF program provided funds for a new building for an artist who has operated an existing studio that provides refined artistry services. The IRP loan program targets smaller communities and provided capital for an existing grocery store/restaurant that is a favorite destination on historic Main Street in Leiper's Fork. The SBA 504 program helped fund a family-oriented franchise restaurant in Franklin. These loans have provided funds for business expansion in the food and service industry as well as creating jobs.

Greater Nashville Regional Council Formation and Purpose

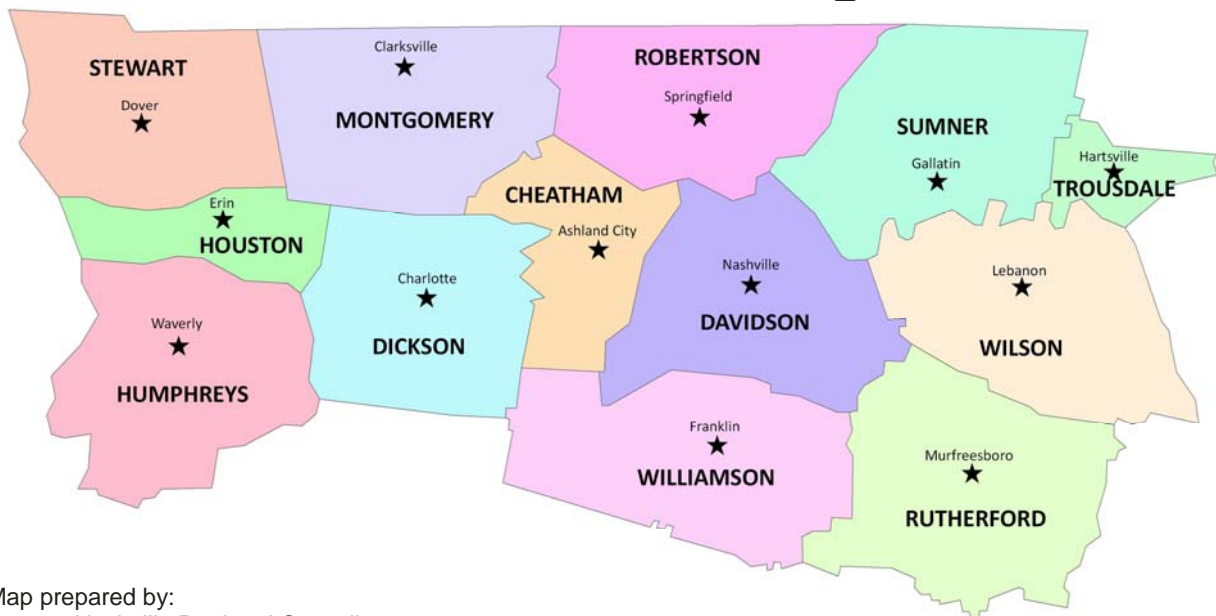

The Greater Nashville Regional Council (GNRC) is the regional planning and economic development organization of the 13 counties and 52 cities of the greater Nashville region of northern Middle Tennessee. Nashville, Music City USA is the State's Capitol and the central urban area of the region. Counties comprising the region include: Cheatham, Davidson, Dickson, Houston, Humphreys, Montgomery, Robertson, Rutherford, Stewart, Sumner, Trousdale, Williamson, and Wilson counties.

GNRC's full Board membership is made up of the mayor of each city, the mayors and county executives of each county, two members of the State Legislature, and a minority member along with an industrial representative of each county. The full Board meets annually to elect new officers, certify the Executive Committee, and approve the annual budget and work program. GNRC's Executive Committee, with representatives from each county, meets monthly to carry out responsibilities of directing the Council's programs and services on behalf of member governments utilizing a professional staff of 76 people and an annual budget of over \$12 million.

The Council's primary mission through regional planning and cooperation is to help guide and accommodate the growth and development of the region in the most desirable, efficient and cost effective manner, and to assist in ensuring both the environmental quality and the long-term viability of the region for all citizens.
